TRUSTEE EDUCATION CERTIFICATION PROGRAM

Below are educational opportunities for the Nevada Hospital Association (NHA) Trustee Education Certification Program **as of December 11, 2019**. The cost of each program varies and is the responsibility of the trustee or hospital/health system. If you have a program that you would like to submit for approval, please send event information, with the agenda, to [Amy E. Shogren](#).

Approved Online Education

1. [Best on Board](#) online courses enable trustees and executive staff to establish a foundation of common knowledge about what is required to lead healthcare organizations during complex times. Best on Board provides the following levels of learning:
 - Essentials of Healthcare Governance (Approximately 6 hours - \$)
 - The Quality Imperative (Approximately 3 hours - \$)
2. The American Hospital Association's (AHA) Hospital Improvement Innovation Network (HIIN) developed 10 online modules for trustees on the role of board members in quality and safety. Click [here](#) to be taken to the HIIN YouTube Channel. Please view these modules in order. There is also a [guide](#) that accompanies these modules. A copy of this guide must be submitted to the NHA upon completion to receive credit for this online learning. (Approximately 2 hours total – **NC**)
3. AHA Center for Health Innovation Webinar: [Evaluating Population Health Programs: Fundamentals and Key Components](#)
December 18, 2019 11 a.m. PT (One hour – **NC for AHA Members**)
4. AHA Events and Education Webinar: [Physician Wellness: A Self and System Imperative in a Value Based Model](#)
January 22, 2020, 3:30 p.m. PT (One hour – **NC for AHA Members**)

During this webinar, participants will learn why it is imperative that hospitals foster individual and system wellness engagement by providing the tools and resources to cultivate both.
